

## Reference for Joy El Ministries' Barnabas Program

A **Joy El Ministries** Leadership Training Program participant has invited someone within your church to serve as his/her mentor. Teens must seek their parents' approval before asking someone within their church to serve as a mentor. We are asking you to fill out a basic reference form to further confirm that this adult would be a suitable mentor for this teen. Please do not fill out this reference form if you are related to either the student or the mentor involved. If you have any questions, please contact Stephanie Ziebarth (Barnabas Program Coordinator) at 717-597-8680 or Tanya Pearrell (4.12 Leadership Training Coordinator) at 717-369-4539.
