

JOB OPPORTUNITIES FOR 4.12 STUDENTS

You have the opportunity to earn some spending money while serving and ministering to others at the same time! Almost every weekend, guest groups rent **Camp Joy El's** facilities. 4.12 students are called upon to help in setting up, serving and cleaning-up in the kitchen and dining hall areas.

The host/hostess will schedule you to work. They may call or email you, or you may do the same to request an opportunity to serve. We do not receive final counts from the guest groups until one week before their retreat so occasionally the host/hostess will be asking you to work the upcoming weekend. Applying does not obligate you to work whenever you are called but we would appreciate flexibility.

Payment is based upon the number of meals you work. Regular meals are \$9.50, snacks are \$4.25 and banquets are \$10.85. If you serve an entire weekend of 5 meals and are here for server orientation at 8:00 on Friday evening, you will receive a \$6 bonus. Preference will be given to those students who are available for the entire weekend.

If you are interested and would like to help in this capacity, please read over the guidelines below with your parents and return the necessary government payroll forms. If you or your parents have any questions please contact Tanya at 717/369-4539 or tanya@joyel.org.

If they are visiting during working hours and deemed "in the way" they will be asked to leave. If you are expecting visitors please encourage them to come at an appropriate time.
6. The curfew is 11:00 pm. You are to be in your room with the lights out by that time. The host/hostess is responsible for seeing that this happens.

8. All servers are responsible to clean and vacuum their rooms and the bathrooms before leaving.
9. When you commit to a weekend please be considerate and stick to that commitment.
10. Students that serve guest group weekends and have a balance due for the program will be encouraged to use the money earned to pay program fees
11. You must fulfill the expectations of the 4.12 program. Failure to meet the expressed expectations may mean you are ineligible to serve. The focus of the program is developing a love for God and becoming more like Him. God is more interested in your being than in your doing.
