

Greetings from Camp Joy El!

I trust you are enjoying your summer and building your faith in God. I am thankful for the times God allows me to be a part of His support plan for you. Camp has been filled with the grace of God as we've seen Him draw people to Himself.

While I am not anxious for summer to be over, and I'm sure you aren't either, I have begun planning for the school year and the opportunities to be an encourager to you. **Please find enclosed applications and information for this year's 4.12 Leadership Training Program (LTP) opportunities. It is my hope and prayer that you will be joining us in the 4.12 LTP.** Your participation means a lot to me and the individuals you have ministered to. I trust it has been meaningful to you as well. **Please take time to review this information before it gets buried in your room or disappears.**

Our goal is to help you in your Christian walk and growth. To be successful in reaching this goal, both you and I have some responsibilities. When you apply, you must realize what is involved. You are stating that you are a Christian with a desire to become more Christ-like. This means you have responsibilities in achieving your goal. By applying, you are asking **Joy El** to assist you, which means we have responsibilities as well. We will need to ask you where you are in the process. We will need to offer things that are helpful to you. You will be able to tell us the direction you want to go, and we will try to help you get there.

I'm excited that you are considering joining the 4.12 LTP this year. Please pray about your involvement in the 4.12 LTP. If you feel led to participate, please fill out the application and enclosed paperwork and return it to me.

Have a great summer! I look forward to growing with you this year as we all pursue Christ-likeness together.

In Christ,

Tanya Pearrell
Leadership Training Program Coordinator
