

My Invitation to You

Dear _____,

Hello! I am participating in the 4.12 Leadership Training Program through Joy El Ministries in order to grow in my relationship with Jesus and develop my gifts and leadership abilities in serving Him.

One aspect of the program involves the Barnabas ministry, which purposes to have mentors follow the biblical example of Barnabas by encouraging others in service to God to the point where the mentorees surpass the mentors in faith and service.

In order to participate in the 4.12 Leadership Training Program, I need to find a mentor within my local church body to encourage me in my faith and service. Because of qualities my parent(s) and I see in you, I am asking if you would prayerfully consider this role in my life.

As my mentor, you would get together with me at least once a month over the next year to see how I am growing in general and through the 4.12 Leadership Training Program. I would also want your regular prayer support, because I know that is crucial to my growth and service.

I would enjoy getting to know you more through this program. Hopefully our example could even encourage others within our church to take time for other generations. Please prayerfully consider this and let me know if you are interested. I have also provided a simple application form for you to fill out and a reference form for our pastor to complete. I will need to provide Joy El with a parental permission slip as well.

Sincerely, _____

PS Joy El will seek to assist you through regular communication, resources, training, etc. Contact Stephanie Ziebarth, Barnabas Coordinator, at aeziebarth@embarqmail.com or 717-597-8680 for more information.
